Answer to Question 13

Description of Transaction

Joint Applicants have entered into an agreement by which Digital West will

acquire all of the issued and outstanding stock in, and therefore direct control of, Norcast in exchange for cash. The same transaction will result in Digital West acquiring indirect control of Norcast's wholly-owned subsidiary, Blue Rooster. This transaction is in furtherance of private investment decisions by the Joint Applicants' respective owners to combine their operations, and to enable the Transferors' owners to redeploy their capital into other ventures or investments.

Following consummation of the proposed transfer of control, Norcast, Blue Rooster, and Digital West will continue to provide service to their respective customers without change in rates, terms, or conditions of service.
