(d) A statement as to whether the applicant has previously received authority under Section 214 of the Act and, if so, a general description of the categories of facilities and services authorized (i.e., authorized to provide international switched services on a facilities basis);

The applicant has not previously received authority under Section 214 of the Act however, the applicants predecessor, Allstream Business US, Inc. holds an international Section 214 authorization granted in File No. ITC-214-19970820 to provide Resold Public Switched Services and Global Resale Services. This authorization was assigned to the applicant as part of a related filing.

### Question 13: Narrative

As part of a number of *pro forma* conversions made in order to clean up the organizational chart for Allstream Business US, LLC and consolidate its operating entities, the subsidiary World Communications, Inc. (“WCI”) (ITC-214-20051011-00431) was merged into Electric Lightwave, LLC (ITC-214-19940415-00137). This became effective on February 2, 2018. As a result, the International 214 authorization held by WCI is no longer required and can be terminated.

This is a *pro forma* conversion only, and does not involve a formal assignment of WCI’s authorization. This is a corporate reorganization that involves no change in the beneficial ownership of the corporation.
