**RE: Notification of Pro Forma Transaction
on behalf of FiberLight, LLC**

Dear Secretary Dortch:

FiberLight, LLC ("FiberLight"), pursuant to Section 63.24 (F) of the Commission's Rules, hereby notifies the Commission of a *pro forma* transaction involving reorganization of its corporate structure which shares common ownership pre- and post- transaction.

The intent of this reorganization is to place the majority ownership of FiberLight into a holding company, Thermo Acquisitions, Inc., a Delaware corporation ("TA"), thereby making FiberLight a majority owned subsidiary of TA. The pre-transaction ownership of FiberLight will be substantially mirrored in the post-transaction ownership of TA, such that the controlling owners of FiberLight will become controlling shareholders of TA.

The entities and individuals who own FiberLight remain substantially the same throughout the reorganization, with more than fifty-percent (50%) ownership and equity in TA remaining with the original owners of FiberLight. The controlling owners of FiberLight (the "Controlling Shareholders") are controlling shareholders of TA.

On February 23, 2018, all but one of the owners of FiberLight entered into agreements to contribute their membership interests in FiberLight to TA, in exchange for shares of stock of TA. The intent of this reorganization is to place the majority ownership of FiberLight into a holding company, TA, so that following consummation of the transaction, FiberLight will become a subsidiary of TA.

In accordance with Section 63.24 (F) of the Commission's Rules, we provide the following information in paragraphs (A) through (H) of Section 63.18 for both the Transferor and Transferee:
