Dear Ms. Dortch:

Verizon Communications Inc. (“Verizon”), through its undersigned counsel, supplements the above-referenced notification (“Notification”) to provide clarification regarding the *pro forma* transfers of control of GTE Mobilnet of South Texas Limited Partnership (“GTE Mobilnet South Texas”) and GTE Mobilnet of Texas RSA #17 Limited Partnership (“GTE Mobilnet RSA #17”).

Prior to the internal restructuring described in the Notification, San Antonio MTA, L.P. (“San Antonio MTA”) held an approximate 24% general partnership and 61.5% limited partnership interest in GTE Mobilnet South Texas, and an approximate 20% general partnership and 11.9% limited partnership interest in GTE Mobilnet RSA #17.¹ San Antonio MTA was eliminated as a result of the internal restructuring and its interests in GTE Mobilnet South Texas and GTE Mobilnet RSA #17 were assigned to Cellco Partnership, resulting in the *pro forma* transfer of control of these entities.

¹ Prior to the internal restructuring, Alltel Communications, LLC (“Alltel Communications”) also held an approximate 11.4% limited partnership interest in GTE Mobilnet South Texas and an approximate 17% limited partnership interest in GTE Mobilnet RSA #17. Alltel Communications was eliminated as a result of the internal restructuring and its limited partnership interests in these entities were assigned to Alltel Corporation.
