**COMBINED/JOINT INTERNATIONAL AND DOMESTIC
APPLICATION FOR
TRANSFER OF CONTROL**

Pursuant to Section 214 of the Communications Act of 1934, as amended (the "Act"), and sections 63.04 and 63.24 of the Commission's rules, this Application seeks Commission approval to transfer control of the stock of Nexogy, Inc. ("Nexogy Inc.") through its acquisition subsidiary, Nexogy Acquisition, Inc. ("Nexogy Acq Sub") to T3 Communications, Inc. ("T3") (the

“Acquisition”). Nexogy Inc. holds authority to provide domestic and international telecommunications services pursuant to section 214 of the Act.¹ On September 20, 2019, Nexogy Inc. entered into an Agreement and Plan of Merger with T3 Communications, Inc. (“T3”). Pursuant to the Agreement, Nexogy Inc., a Florida corporation will form Nexogy Acquisition, Inc. (“Nexogy Acq Sub”), a Florida corporation. Nexogy Acq Sub will merge with and into T3, with T3 as the survivor. As a result of the merger, Nexogy Inc. will become a wholly owned subsidiary of T3.

Nexogy Inc. is a provider of interstate, international and intrastate interexchange telecommunications services, including cloud and broadband services. The customers of Nexogy Inc. will benefit from the greater financial resources and assets of T3 that will result from consummation of the transaction. This transaction will help ensure continuity of service and enhance the ability of Nexogy to offer a broader range of innovative products and services to consumers. The transfer of control will therefore serve to enhance the overall capacity of Nexogy to compete in the marketplace and to provide telecommunications services for a greater number of consumers at competitive rates. Grant of this Application will clearly promote competition in the interstate, international, cloud and broadband telecommunications markets and will serve the public interest.

- (j) The Applicants certify that they do not seek authority to provide service to any country described in paragraphs (1) through (4) of section 63.18(j).
- (k) Not applicable.
- (l) Not applicable.
- (m) Not applicable.

II. ADDITIONAL INFORMATION REQUIRED BY SECTION 63.04

This Application seeks Commission consent to transfer control of Nexogy, Inc., which holds authority to provide domestic and international telecommunications services pursuant to section 214 of the Act. - (10) Only standard streamlined processing of this domestic section 214 transfer of control application is sought pursuant to Section 63.03.
- (11) No waiver requests are being filed in conjunction with the transaction.

The customers of Nexogy will benefit from T3's resources and assets, which will help ensure continuity of service and enhance the ability of Nexogy to offer a broader range of innovative products and services to customers. Grant of this Application will promote competition in the domestic interexchange and international telecommunications markets and will serve the public interest.
