RE: Docket WC 19-325, ITC T/C 20191028-00175
Application for a Transfer of Control of the Stock of Nexogy, Inc. to T3
Communications, Inc., a Nevada corporation

Dear Secretary Dortch:

Please allow this letter to supplement the Application filed in the above matter, pursuant to Staff request:

1. Question: Regarding T3 Communications, Inc. – please provide additional information on T3 and the types of services it provides, and in what states.

Answer: T3 Communications, Inc., a Nevada corporation (“T3NV”), is a holding company. It does not directly provide any services. It indirectly provides services in the states of Florida and Texas through the following wholly-owned subsidiaries:

- a. T3 Communications, Inc., a Florida corporation (“T3F”) is an operating subsidiary of T3NV. T3F presently provides intrastate, interstate and international services to customers within the State of Florida, as well as Georgia, Iowa, Illinois, Michigan and Minnesota. The services it provides are as follows: Voice, local exchange, Hosted IP/Private Branch Exchange (“IP/PBX”), Session Initiation Protocol (“SIP”) trunking, call center applications, auto attendant, voice and web conferencing, call recording, voicemail to email conversion, other customized IP/PBX features in a hosted cloud environment, ethernet over copper, remote network monitoring, data backup and disaster recover.
- b. Shift8 Networks, Inc. d/b/a T3 Communications, is a Texas corporation (“T3T”) is an operating subsidiary of T3NV.

November 15, 2019

T3T presently provides intrastate and interstate services to customers within the State of Texas. The services that it provides are as follows: Voice, local exchange, Hosted IP/Private Branch Exchange (“IP/PBX”), Session Initiation Protocol (“SIP”) trunking, call center applications, auto attendant, voice and web conferencing, call recording, voicemail to email conversion, other customized IP/PBX features in a hosted cloud environment, ethernet over copper, remote network monitoring, data backup and disaster recovery.

2. **Question: Regarding Digerati – please provide additional information on Digerati and the types of services it provides, and in what states.**

Answer: Digerati Technologies, Inc., a Nevada corporation, is a publicly held business corporation and its shares are listed on the over the counter exchange (OTC) Digerati serves as a holding company and is the majority owner of T3NV.

3. **Question: Regarding ITN Partners, LLC – what type of investment company is it, and what types of investments does it make, to what industries beside telecommunications, if any.**

Answer: ITN Partners, LLC is a holding entity, formed for the sole purpose of this transaction.

4. **Question: Regarding Blue Sunshine, LLC – what services, if any, does Blue Sunshine provide besides investing? What type of investments does it make and to what industries?**

Answer: Blue Sunshine, LLC (“Blue Sunshine”) is a Florida limited liability company that serves as an investment company. Blue Sunshine invests in various industries including both real estate and telecommunications. Besides its ownership interest in ITN Partners, LLC, Blue Sunshine does not have any ownership interest in any other telecommunications company.

Blue Sunshine’s percentage of ownership in ITN Partners, LLC in the Application is wrong. It should be 74.2% not 80.65%.

5. **Question: Regarding ITVantage, LLC – what services, if any, does ITVantage, LLC provide besides investing? What type of investments does it make and to what industries?**

Answer: ITVantage, LLC (“ITVantage”), a Florida limited liability company, is a Managed Services Company that markets and maintains computer equipment, computer networks, and software for small and medium sized businesses. ITVantage does not provide any telecommunications services.

November 15, 2019

6. Question: Regarding MaReHa, LLC – What services, if any, does MaReHa provide? What types of investments does MaReha make and to what industries:

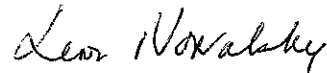

Answer: MaReHa, LLC (“MaReHa”), a Florida limited liability company, was organized for the sole purpose of making an investment in ITN Partners. The Company does not provide any services or conduct any business operations.

7. Question: Regarding Nexogy, Inc. – What services does Nexogy provide and in what states:

Answer: Nexogy, Inc. (“Nexogy”) is a Florida corporation and a provider of intrastate, interstate and international interconnected VoIP cloud-based telecommunications services to small and medium sized business customers. Nexogy provides voice and data services, Hosted PBX and call center features, along with dedicated internet and SD-WAN in the states of DE, FL, IL, KY, LA, MA, MD, MI, NC, NH, NJ, NY, PR, TX, UT, VA and VT.

Should any additional information be required, please contact the undersigned.

Sincerely,

Leon Nowalsky /rw
