

**Lead Application Information**

This application is part of a series of applications whereby AT&T Inc. (“AT&T”) and Liberty Latin America Ltd. (“LLA”); collectively, (“Applicants”) are seeking the FCC’s consent to transfer the control of Beach Holding Corporation, which holds all of the outstanding capital stock of AT&T Mobility Puerto Rico Inc. and AT&T Mobility USVI Inc., from AT&T to LLA. The Applicants have designated the AT&T Mobility Puerto Rico Inc. international and domestic 214 application being filed concurrently with this application as the lead IBFS application and hereby incorporate all exhibits of the lead IBFS application by reference. Applications to transfer the control of wireless licenses are concurrently being filed in the FCC’s Universal Licensing System and Applicants have designated the application with ULS File Number 0008836370 as the lead application for wireless services.
