NOTIFICATION OF *PRO FORMA* TRANSFER OF INDIRECT CONTROL

Securus Technologies, LLC (“Securus”)¹, T-NETIX, Inc. (“TNI”), T-NETIX Telecommunications Services, Inc. (“TNTS,” and together with Securus and TNI, “Licensees”), and SCRS Acquisition Corporation, as “Transferee” and “Transferor” (collectively, the “Parties”), pursuant to Section 214 of the Communications Act of 1934, as amended (the “Act”), 47 U.S.C. § 214, and Section 63.24(f) of the Commission’s Rules, 47 C.F.R. § 63.24(f), notify the Commission of the *pro forma* transfer of indirect control of the Licensees that occurred on December 31, 2019 as a result of a corporate consolidation that resulted in the elimination of two

¹ Securus Technologies, Inc. converted to a Delaware limited liability company effective at 11:59 P.M. on December 31, 2019. Securus is simultaneously filing a Notice of *Pro Forma* Transfer Of Control in connection with that conversion.

intermediate holding companies in the chain of ownership directly and indirectly below Transferor.

In support of this Notification, the Parties provide the following information:

II. DESCRIPTION OF THE PARTIES

A. Transferee and Transferor

Transferee is a Delaware corporation. As part of the corporate consolidation, two intermediate holding companies merged, with the surviving entity then immediately merged into SCRS Acquisition Corporation (“SCRS”). With the exception of the foregoing described combination, Transferee is the same in all material respects as the Transferor. As set forth in Exhibit A, Transferee is directly owned by SCRS Intermediate Holding II Corporation, a Delaware corporation.

B. Licensees

The Licensees have been providing telecommunications service since the 1990s. Securus currently provides intrastate, interstate and international telecommunications services through the inmate calling services and public payphones that it provides to or at correctional facilities throughout the U.S. TNI previously provided telecommunications services to such facilities in various jurisdictions, but does not do so any longer. TNI’s wholly-owned subsidiary TNTS currently provides international services, pursuant to the international Section 214 authorization held by TNI, solely in the State of Florida.

The Licensees are wholly-owned, indirect subsidiaries of SCRS and its parent companies. The Commission previously approved the transfer of indirect control of the Licensees to SCRS and its parent companies on October 30, 2017.²

III. DESCRIPTION OF THE COMBINATIONS

This notification is filed in connection with seriatim mergers involving two indirect intermediate holding companies in the ownership chain above the Licensees and below SCRS. Specifically, each of the following holding companies above the Licensees was combined, with SCRS as the surviving entity, as follows:

- 1) Securus Holdings, LLC, a Delaware limited liability company, was merged into Connect Acquisition, LLC, a Delaware limited liability company, and Securus Holdings, LLC ceased to exist; and
- 2) Connect Acquisition, LLC, the surviving entity, was then immediately merged into SCRS, and Connect Acquisition, LLC ceased to exist, with SCRS the surviving entity.

These transactions (hereinafter “Combinations”) were accomplished through the execution and filing of Certificates of Merger with the Secretary of State of Delaware effective at 11:58 P.M. and 11:59 P.M., respectively, on December 31, 2019. Pre- and post-Combination ownership structure charts for the Licensees are attached as Exhibit A.

These Combinations were to further organizational efficiency and streamline the business structure and provide other benefits to SCRS Acquisition and its subsidiaries. Further, the Combinations did not affect the ongoing and safe operations of the facilities and services provided by the Licensees. Following the Combinations, the Licensees have remained and will

Oct. 30, 2017).

remain technically, managerially, and financially qualified to provide the relevant services in accordance with their authorizations. The Combinations had no adverse impact on the customers of the Licensees. The Licensees continue to provide services to the same extent, at the same rates, and on the same terms and conditions as were in effect before the Combinations. Since the Combinations occurred at the intermediate holding company level, the results have been wholly transparent to Licensees' customers. Finally, as the Licensees have continued to be indirect, wholly-owned subsidiaries of SCRS and its parent companies following the Combinations, the mergers and resulting transfer of control were *pro forma* in nature.
