

**Answer to Question 9**

IPS Inc has proposed to acquire 51% of ownership interest in CarrierDomain Inc.

Since CarrierDomain Inc. has FCC 214 authorization this application is made to comply with current FCC requirements.

If transaction is consummated the CarrierDomain ownership will look like:

51% IPS Inc

47% Ilya Belov

CarrierDomain has only one class of shares so voting is proportional to the ownership.

CarrierDomain Inc was incorporated in DE on 04/05/2007

**Answer to Question 10**

Please address all communications to

Ilya Belov

US Citizen

President of CarrierDomain Inc.

3131 NE 188th St, Apt 1502
