

Answer to Question 10

This notification is being submitted following a *pro forma* reorganization of the parent companies of CableCo, LLC.¹ CableCo, LLC (“CableCo”) is a Colorado limited liability company whose address is 60 Beckwith Drive, Colorado City, CO 81019. CableCo is a wholly owned subsidiary of Corona Holdings, LLC, which is a wholly owned subsidiary of USConnect Acquisitions III, LLC, which is in turn a wholly owned subsidiary of USConnect Holdings, LLC (“USConnect”). CableCo holds Commission authority to provide interstate and international telecommunications and video services² and provides those services in and around the local exchange areas of its affiliates, Rye and South Park. CableCo was among the USConnect subsidiaries included in the application for transfer of control filed in *In the Matter of Joint Application of USConnect Holdings, Inc. et al*, WC Docket No. 21-229, ITC-T/C-20210521-00087 (the “Application”). CableCo’s ultimate parent company, ITC Broadband Holdings, LLC (“ITC Holdings”), is a Delaware limited liability company located at 1791 O.G. Skinner Drive Suite A, West Point, GA 31833. ITC Holdings provides domestic and international telecommunications services through its subsidiaries but does not itself hold any Commission authorizations.

Pursuant to the Commission’s rules, the Application was granted as of July 31, 2021. The parties consummated the transaction on August 16, 2021. At that time, direct control of USConnect was transferred to ITC Rural Connect, Inc. (“ITC Rural”), a wholly owned

¹ On September 16, 2021, ITC Broadband Holdings, LLC filed a *pro forma* notification regarding the above-described transactions in IBFS File No. ITC-T/C-20210916-00138. This filing supplements that notification.

² See file no. ITC-214-20040609-00224. See also file nos. ITC-T/C-20060113-00041; ITC-T/C-20061107-00508; ITC-T/C-20090116-00031; ITC-T/C-20130920-00259; and ITC-T/C-20210622-00100.

subsidiary of ITC Holdings. As a result, ITC Holdings held ultimate indirect control of CableCo and other subsidiary licensees (collectively, the “Licensees”³).

Subsequent to the August closing and as explained at pages 10-11 of the Application, certain subsidiaries of ITC Holdings were converted to limited liability companies and reorganized. Following those conversions, on August 30, 2021, ITC Rural contributed the equity interests of USConnect to ITC Broadband Operating, LLC (“ITC Operating”) as a capital contribution in exchange for 100% of the preferred membership interests of ITC Operating. ITC Fiber Holdings, LLC also contributed certain assets and capital to ITC Operating in exchange for the common membership interests in ITC Operating. The ultimate result of the reorganization is that ITC Holdings, through ITC Operating and ITC Rural, still indirectly owns 100% of the equity interests of, and thus controls, USConnect, which in turn still owns 100% of the equity interests of each of the Licensees, including CableCo.

Pre- and post-reorganization charts depicting the LLC conversion and the relationship among the entities involved in the *pro forma* transfer of control are provided as part of Attachment 2 to this notification.
