**Answer to Question 13**

Ronald L. Cleven who was a 40% owner of Velocity Telephone retired and his ownership interest was transferred to James C. Lundberg who at the time was a 60% owner of Velocity Telephone. At the time of Mr. Cleven's retirement, James C. Lundberg became 100% owner of Velocity Telephone. Control did not transfer as Mr. Lundberg retained the controlling ownership interest of Velocity Telephone before and after the transaction.
