Re: Notification Regarding the *Pro Forma* Restructuring of TEO Communications Inc., Crown Point Network Technologies, Inc. d/b/a Bridge Point Communications, Nicholville Telco LLC, SLIC Network Solutions, Inc., and Westelcom Network, Inc.

Dear Secretary Dortch:

TEO Communications Inc. ("TEO"); Crown Point Network Technologies, Inc. d/b/a Bridge Point Communications ("Bridge Point"); Nicholville Telco LLC ("Nicholville"); SLIC Network Solutions, Inc. ("SLIC"); and Westelcom Network, Inc. ("Westelcom") (collectively, the "Licensees"), pursuant to 47 C.F.R. § 63.24(f), notify the Commission of a *pro forma* change in the intermediate ownership of Licensees completed on January 29, 2026.

The *Pro Forma* Restructuring (as defined in Attachment 1) introduced new intermediate entities in the chain of Licensees' ownership, without changing their ultimate ownership and control. The intra-company transactions interposed a new intermediate ownership structure between the ultimate controlling parties in SDC Digital Infrastructure III UGP, LLC ("SDC Fund III UGP"), which is the general partner of SDC DIOF III GP, L.P. ("SDC Fund III GP"), the general partner of SDC Digital Infrastructure Opportunity Fund III, L.P. ("SDC Fund III"), investment fund that indirectly holds the equity interests in Licensees, and SDC Fund III UGP.

The *Pro Forma* Restructuring was an entirely parent level event that did not result in any change to ultimate ownership and control of Licensees. Because the ultimate control and ownership of Licensees did not change, the *Pro Forma* Restructuring was *pro forma* in nature.

Answer to Question 12 - Section 63.18(h) Interlocking Directorates

Licensees do not have any interlocking directorates with a foreign carrier. The Parties certify that they are not foreign carriers or affiliated (as defined in 47 C.F.R. § 63.09) with any foreign carriers.

Answer to Question 13 - Description of the *Pro Forma* Restructuring

On January 29, 2026, SDC Capital undertook an internal restructuring for tax and business efficiency purposes that established a new intermediate ownership structure between Todd Aaron ("Mr. Aaron") and Douglas Kaden ("Mr. Kaden") and SDC Digital Infrastructure III UGP, LLC ("SDC

Fund III UGP”), the general partner of SDC DIOF III GP, L.P. (“SDC Fund III GP”), which itself is the general partner of SDC Digital Infrastructure Opportunity Fund III, L.P. (“SDC Fund III”) that controls the investment fund that has majority ownership of Licensees.

Licensees are owned and controlled by SDC Fund III. The general partner of SDC Fund III is SDC Fund III GP, which in turn is controlled by SDC Fund III UGP. Prior to the *Pro Forma* Restructuring, Mr. Kaden and Mr. Aaron each held their interests in SDC Fund III UGP through a series of personal and family holding entities.

As a result of the *Pro Forma* Restructuring, those personal holding entities no longer hold direct interests in SDC Fund III UGP, but instead such interests were indirectly transferred to SDC Capital Partners GP Holdings, LP (“GP Holdings”) which is now the sole member of SDC Fund III UGP. Mr. Kaden and Mr. Aaron’s interests (held through their personal holding entities) are now held in SDC Capital Partners GP Holdings Parent 2, LP (“GP Holdings Parent 2”) and in SDC Capital Partners GP, LLC (“SDC GP”), the sole general partner of both GP Holdings and GP Holdings Parent 2. Mr. Aaron indirectly holds a 51% voting interest in SDC GP, and Mr. Kaden indirectly holds a 49% voting interest in SDC GP. Charts depicting the pre- and post-*Pro Forma* Restructuring ownership structure of Licensees are attached as **Attachment 2**.
