**Answer to Question 13**

On June 22, 2018, Frontier undertook an internal corporate restructuring in which Frontier Florida changed from an indirect wholly-owned subsidiary of Frontier to a direct wholly-owned subsidiary of Frontier. Specifically, prior to the restructuring, Frontier Florida was a direct wholly-owned subsidiary of Newco West Holdings LLC (“Newco West”), which in turn is a direct wholly-owned subsidiary of Frontier. As a consequence of the restructuring, Newco West is no longer an intermediate holding company between Frontier and Frontier Florida, and Frontier Florida is now a direct wholly-owned subsidiary of Frontier. Because the restructuring did not change the ultimate ownership or control of Frontier Florida, which remains with Frontier, the transfer of control was *pro forma* in nature.
