Goldfield Communications Services, LLC (formerly Corp.) is a wholly-owned subsidiary of Goldfield Holdings, LLC (“Goldfield Holdings”). At the present time, Goldfield Holdings is owned in equal 1/3 shares by Communications 1 Network, Inc. (“Communications 1”); Webster-Calhoun Cooperative Telephone Association (“Webster-Calhoun”); and Schaller Telephone Company (“Schaller”). The three existing owners are filing this application (and have filed a Domestic Section 214 Application) for Commission consent for Communications 1 to purchase the shares of Goldfield Holdings held by the other two owners, such that Communications 1 would acquire 100 percent ownership and control of Goldfield Holdings and its subsidiaries, including Goldfield Communications Services, LLC (“Goldfield Services”). This will then give Communications 1 full ownership and control of the International Section 214 authorization for global resale of switched services held by Goldfield Services (ITC-214-19970811-00481).
