ANSWER TO QUESTION 11

PTCI, the International 214 holder, is a domestic privately held corporation organized under the laws of the State of Iowa. There are presently 283 shares of Common Stock issued and outstanding of PTCI owned by 135 shareholders. No stock holder holds 10 percent or more of PTCI. The proposed transaction will be effectuated by a reverse triangular merger. Under this process, Hilliary's wholly-owned subsidiary, PTCI Acquisition Corp., an Iowa Corporation will merge with and into PTCI with PTCI being the surviving corporation in the merger. Pursuant to the merger, outstanding shares of PTCI immediately prior to the merger would be converted into the right to receive a cash amount per share, and outstanding shares of PTCI Acquisition Corp., held by Hilliary would be converted into shares of PTCI. As a result, PTCI Acquisition Corp. will cease to exist, and PTCI will remain in existence as a wholly-owned subsidiary of Hilliary immediately following the merger.

Upon consummation of the transfer of control proposed in this application, PTCI will be 100 percent owned and controlled by Hilliary. Douglas J. Hilliary, Dustin J. Hilliary, Edward E. Hilliary, Jr., and Michael J. Hilliary, all United States citizens, are the Managers of Hilliary. The name, address, citizenship, and principal business of Hilliary's ten percent or greater direct and indirect shareholders or other equity holders is set forth below:

Edward E. Hilliary, Jr., Manager
931 NE Brown
Elgin, OK 73538
Principal Business: Telecommunications
Percentage of equity: 25%
Citizenship: U.S.A

Dustin J. Hilliary, Manager
301 Hilliary Ln
Lawton, OK 73507
Principal Business: Telecommunications
Percentage of equity: 25%
Citizenship: U.S.A

Michael J. Hilliary, Manager

Douglas J. Hilliary, Manager
4052 NW Tackle Box Road

Neither the Applicant nor Hilliary have any interlocking directorates with a foreign carrier.

ANSWER TO QUESTION 13

PTCI is the holder of an International 214 authorization granted under file number (ITC-214-20010126-00053). There are presently 283 shares of Common Stock issued and outstanding of PTCI owned by 135 shareholders, none of which hold 10 percent or more of the stock. The present application seeks FCC consent for the transfer of control of PTCI and the International 214 authorization held by PTCI to Hilliary, an Oklahoma limited liability holding company that was newly formed to acquire a controlling interest in PTCI, an Iowa corporation.

A separate application is being filed with the Wireline Competition Bureau through the ECFS seeking FCC approval for the transfer of control of the Domestic 214 Authorization held by PTCI to Hilliary. In addition, a separate application is being filed with the Wireless Telecommunications Bureau through ULS seeking Commission consent to the transfer of control of PTCI's FCC license, Call Sign WQPL287, a nationwide common carrier license for the 3650-3700 MHz band.

Hilliary is a holding company with its principal office at 22937 St Hwy 58, Lawton, OK 73507. The principal business of Hilliary is a holding company of entities providing telephone and broadband telecommunications service.

The proposed transaction will be effectuated by a reverse triangular merger. Under this process, Hilliary's wholly-owned subsidiary, PTCI Acquisition Corp., an Iowa Corporation will merge with and into PTCI with PTCI being the surviving corporation in the merger. Pursuant to the merger, outstanding shares of PTCI immediately prior to the merger would be converted into the right to receive a cash amount per share, and outstanding shares of PTCI Acquisition Corp., held by Hilliary would be converted into shares of PTCI. As a result, PTCI Acquisition Corp. will cease to exist, and PTCI will remain in existence as a wholly-owned subsidiary of Hilliary immediately following the merger. Upon consummation, Hilliary will own 100 percent of PTCI. Hilliary does not offer domestic telecommunications services.

ANSWER TO QUESTION 20
