Re: Request for Dismissal of VBS Application (File Nos. SAT-LOA-19970926-00146
and SAT-AMD-20011203-0123)

Dear Ms. Dortch

In September 1997, Teledesic LLC applied for authority to launch and operate a constellation of non-geostationary satellites providing fixed-satellite service in the V band. An amendment reflecting ownership changes was filed in 2001. The file numbers for the original application and the amendment are referenced above.

On behalf of Teledesic, I hereby ask that these applications be voluntarily dismissed. If you have any questions about this request, please do not hesitate to contact me.

Respectfully submitted,

Mark A. Grannis
Counsel to Teledesic LLC
