43. Description. (Summarize the nature of the application and the services to be provided). This application for modification of the SBS-6 space station authority is hereby amended to change the applicant from PanAmSat Corporation ('PanAmSat Corp.') to PanAmSat Corp.'s indirect subsidiary, PanAmSat Licensee Corp. ('PanAmSat LC').

Ex 1

## CERTIFICATION

The Applicant waives any claim to the use of any particular frequency or of the electromagnetic spectrum as against the regulatory power of the United States because of the previous use of the same, whether by license or otherwise, and requests an authorization in accordance with this application. The applicant certifies that grant of this application would not cause the applicant to be in violation of the spectrum aggregation limit in 47 CFR Part 20. All statements made in exhibits are a material part hereof and are incorporated herein as if set out in full in this application. The undersigned, individually and for the applicant, hereby certifies that all statements made in this application and in all attached exhibits are true, complete and correct to the best of his or her knowledge and belief, and are made in good faith.

#### **REGARDING THE SUBJECT APPLICATION**

This application for modification of space station authority is hereby amended to change the applicant from PanAmSat Corporation ("PanAmSat Corp.") to PanAmSat Corp.'s indirect subsidiary, PanAmSat Licensee Corp. ("PanAmSat LC").

For a variety of business reasons, PanAmSat Corp. decided to consolidate its corporate family's fixed-satellite service ("FSS") licenses, some of which it has held and some of which PanAmSat LC has held, under the PanAmSat LC umbrella. On February 4, 2002, the Commission consented to the *pro forma* assignment from PanAmSat Corp. to PanAmSat LC of all FSS space station licenses then held by PanAmSat Corp. (*see* SAT-ASG-20011206-00120 and SAT-ASG-20011206-00121). Upon notification of consummation, filed on February 14, 2002, these assignments became effective.

Consistent with the ownership changes that the Commission has consented to and PanAmSat Corp.'s desire to consolidate its space station licenses, the subject application is hereby amended to substitute PanAmSat LC for PanAmSat Corp. as the applicant. PanAmSat does not contemplate by this amendment any changes in the operational or technical characteristics of the proposed satellite.
