FCC File No. SAT-LOI-20081119-00217 (Call Sign S2778)

Dear Ms. Dortch:

This is to inform you that Christopher Putala of PutalaStrategies on behalf of Spectrum Five, LLC ("Spectrum Five") had phone conversations on February 6, 2009 with Commissioner Adelstein and on February 9, 2009 with Commissioner Adelstein, Paul Murray of Acting Chairman Copps' office and Renee Roland Crittendon of Commissioner Adelstein's office to discuss Spectrum Five's above-referenced petition for a declaratory ruling to provide service from the nominal 103° W.L. orbital location using the 17/24 GHZ Broadcast-Satellite Service ("BSS"), and the International Bureau's January 16, 2009 order dismissing the petition of DIRECTV Enterprises LLC to provide service from this orbital location.<sup>1</sup> Mr. Putala's comments were consistent with the arguments raised in Spectrum Five's petition.

Pursuant to Section 1.1206(b)(2) of the Commission's rules, two copies of this letter are being filed for inclusion in each of the above-noted proceedings.

Sincerely,

Christopher Putala  
Principal
