**Re: Motion for Stay and Petition for Reconsideration filed by AtContact  
Communications, LLC of International Bureau Order DA 09-1850, Call Signs  
S2346, S2680, S2681, S2682, and S2683**

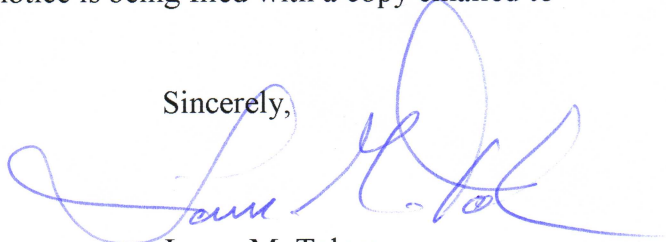

Dear Ms. Dortch:

On January 26, 2010, the undersigned counsel for AtContact Communications, LLC ("AtContact") and David Drucker, Manager of AtContact, met with Angela Giancarlo of Commissioner Robert M. McDowell's office regarding AtContact's pending Motion for Stay and Petition for Reconsideration of the International Bureau's Order nullifying AtContact's satellite space station licenses.

During these meeting we discussed the consequences to AtContact and its Alaska and other subscribers should relief sought by the Petition for Reconsideration not be granted, with particular emphasis on removal of the outstanding bond. We further emphasized AtContact's position that it has complied with the commencement of construction milestone requirement and the uncertainties of law and fact contained in the Bureau's *Order*.

Pursuant to 47 C.F.R. § 1.1206(b), this notice is being filed with a copy emailed to Ms. Giancarlo.

Sincerely,

James M. Talens  
Counsel to AtContact  
Communications, LLC
