RE: Globalstar Licensee, LLC, File Nos. SAT-MOD-20080904-00165, SAT-STA-20081215-00231, SAT-MOD-20091214-00152, SAT-AMD-20091221-00147, and SAT-STA-20100525-00106

Dear Ms. Dortch:

On June 11, 2010, William Adler, Of Counsel to Globalstar Licensee, LLC (“Globalstar”), and I met with Priya Aiya, Legal Advisor to Chairman Genchowski, and Paul de Sa, Chief, Office of Strategic Planning & Policy Analysis, to discuss issues related to the above-referenced proceedings. The views expressed on behalf of Globalstar in connection with each of these proceedings were consistent with those expressed in its previous filings with the Commission. Globalstar urged the Commission to grant the extension request for deploying Ancillary Terrestrial Component facilities. In addition, Globalstar urged the Commission to promptly grant the applications pending before the Commission.

Please let me know if you have any questions.

Sincerely,

/s/ Gregory J. Vogt
