Dear Ms. Dortch:

On December 13, 2010, L. Barbee Ponder IV (General Counsel and Vice President of Regulatory Affairs) and Tony Navarra (President, Global Operations) of Globalstar, Inc. (“Globalstar”), along with the undersigned and Elvis Stumbergs of Wilmer Cutler Pickering Hale and Dorr LLP, held a teleconference with Mindel De La Torre, Roderick Porter, Karl Kensinger, and Robert Nelson of the International Bureau. We discussed Globalstar’s December 21, 2009 application for authority for its FCC-licensed U.S. earth stations to communicate with its French-licensed second-generation constellation.

Should there be any questions concerning these meetings, please contact the undersigned.

Respectfully submitted,

*/s/ Samir Jain*
