Re: **Ex Parte Notice – Globalstar, Inc.**
SAT-AMD-20091221-00147

Dear Ms. Dortch:

On February 8, 2011, L. Barbee Ponder IV, General Counsel & Vice President, Regulatory Affairs, for Globalstar, Inc. (“Globalstar”) met with Paul de Sa of the Commission’s Office of Strategic Planning and Policy Analysis, and Gardner Foster, Robert Nelson, and Karl Kensinger of the Commission’s International Bureau. During this meeting, the participants discussed the status of Globalstar’s above-captioned application for domestic licenses, as well as the related status of the licensing and registration of its second generation satellite constellation in France.

Should there be any questions concerning this matter, please contact the undersigned.

Respectfully submitted,

/s/ Elvis Stumbergs
