ATTACHMENT – CONDITIONS OF AUTHORIZATION

Orbcomm License Corp.

IBFS File Nos. SAT-MOD-20111021-00207, SAT-AMD-20120809-00125

Call Sign S2103

The application of Orbcomm License Corp. (Orbcomm) to modify its authorization for a non-voice, non-geostationary mobile satellite service (Little LEO) system, IBFS File Nos. SAT-MOD-20111021-00207 and SAT-AMD-20120809-00125, IS GRANTED in part and DEFERRED in part. We grant authority to the extent of modifying the target orbital inclination of one satellite from 51.6 degrees to 51.7 degrees, and specifying an additional feeder link centered at the 150.025 MHz for that satellite.¹ In addition, in light of the imminent launch of the satellite, we partially waive the fourth milestone in the *Orbcomm Next Generation License*, which requires Orbcomm to complete construction of and launch the first two next-generation satellites. The waiver is limited to extending authority to launch and operate with respect to the one satellite proposed for imminent launch. We defer action on all other aspects of the pending modification application, as amended. This grant is without prejudice to action on remaining portions of the amended modification application, including Orbcomm's request to extend the fourth milestone for six months or deem it satisfied by the launch of a single satellite. This grant is subject to the following conditions:

1. Launch of the satellite shall be completed not later than October 31, 2012. In the event this deadline is not met or extended, the waiver will expire, and the application will be returned to pending status in its entirety.
2. Nothing in this authorization extends the license term for Call Sign S2103, which is April 30, 2025. See IBFS File No. SAT-MOD-20070531-00076.
3. Orbcomm is afforded 30 days from the date of release of this grant to decline this authorization as conditioned. Failure to respond within this period will constitute formal acceptance of the authorization as conditioned.
4. This action is issued pursuant to Section 0.261 of the Commission's rules on delegated authority, 47 C.F.R. § 0.261, and is effective immediately. Petitions for reconsideration under Section 1.106 or applications for review under Section 1.115 of the Commission's rules, 47 C.F.R. §§ 1.106, 1.115, may be filed within 30 days of the date of the public notice indicating that this action was taken.
