Re: *Notice of Appearance, IBFS File Nos. SAT-AMD-20171206-00167 and -00168*

Dear Ms. Dortch:

On December 6, 2017, The Boeing Company filed the above referenced applications seeking authority to amend two of its pending applications for licenses to launch and operate non-geostationary satellite orbit systems by substituting SOM1101, LLC as the applicant. Please be advised that Space Exploration Holdings, LLC (“SpaceX”) wishes to participate in any Commission proceeding regarding the disposition of these applications. Accordingly, please accept this “written submission referencing and regarding such pending filing,” 47 C.F.R. § 1.1202(d)(1), and enroll SpaceX as a party for purposes of the Commission’s *ex parte* rules, 47 C.F.R. §§ 1.1200 *et seq.* Please direct any questions regarding this notification to me.

We trust that no *ex parte* presentations or other communications will be allowed in this restricted proceeding unless the undersigned, on behalf of SpaceX, receives advance notice and an opportunity to be present. 47 C.F.R. § 1.1208.

Respectfully submitted,

William M. Wiltshire  
*Counsel for SpaceX*
