

**Supplemental Response to Question 37**

Northrop Grumman Corporation, the ultimate parent of Space Logistics, LLC (“Space Logistics”), has not been convicted of a felony. Northrop Grumman Corporation is a publicly traded company, not directly or indirectly controlled by any other party.

For transparency, we note that we are aware that certain entities acquired by Northrop Grumman Corporation (or a wholly owned subsidiary or a predecessor entity) were convicted of felonies many years ago and prior to being acquired as a subsidiary. We also note that another subsidiary of Northrop Grumman Corporation that is a sister entity to Space Logistics had prior convictions, but they were more than 25 years ago. None of these entities are a parent of or control Space Logistics.
