SUPPLEMENT

At the request of the Federal Communications Commission's ("FCC" or "Commission") Space Bureau staff, SES Americom, Inc. ("SES") hereby files this supplement to its pending application to operate Amazonas-2 (S00849) at 72.0 W.L.¹ SES herein provides a replacement Schedule S.² This supplement does not alter any of the requested technical or legal parameters contained in the original application.

Respectfully submitted,

/s/ Cynthia J. Grady
Cynthia J. Grady
Assistant General Counsel
SES Americom, Inc.

May 28, 2026

¹ SES Americom, Inc., Application for Authority to Operate Amazonas-2, ICFS File No. SAT-LOA-20260507-00191 (filed May 8, 2026). SES is filing this supplement as an amendment in the International Communications Filing System in order to provide the replacement Schedule S in a native format.

² The Schedule S submitted with the application reflects Amazonas-2's frequency capacity, including frequencies for which SES is not requesting FCC authorization. The replacement Schedule S provided only reflects the frequencies SES is seeking FCC authority to operate.
