Dear Ms. Dortch:

Pursuant to Section 25.137(g) of the Commission's rules,¹ Telesat Canada ("Telesat"), the operator of the non-U.S. licensed satellites identified above that have been authorized to serve the United States, hereby notifies the Commission that it has undergone a *pro forma* transfer of control.

The *pro forma* transfer of control is the result of a corporate restructuring.² Prior to the corporate restructuring, Telesat had two holding companies above it in its corporate structure. ² The restructuring occurred on January 1, 2017, and due to an oversight was not reported within 30 days. To the extent required, Telesat hereby requests a waiver of the time for reporting requirements that are stated in Section 25.137(g).

Telesat Holdings became direct shareholders of Telesat, having the same interests and the same voting rights as they had held previously in Telesat Holdings.³ The transfer of control, therefore, was entirely *pro forma*; there was no change in ultimate control.

Please direct any questions concerning this matter to the undersigned.

Respectfully submitted,
