

RESPONSE TO QUESTIONS 30-34: Alien Ownership

RESPONSE TO QUESTION 40: Stockholders Owning More Than 10%

In response to Questions 30 and 31 of Form 312, Telesat LEO Inc. is organized under the laws of Canada. In response to Question 40, Telesat LEO Inc. is an indirect, wholly-owned subsidiary of Telesat Canada.

Questions 32 and 33 of Form 312 ask whether the Applicant, Telesat LEO Inc., is: (1) a corporation of which more than 20 percent of the capital stock is owned of record or voted by aliens or their representatives or by a foreign government or representative thereof or by any corporation organized under the laws of a foreign country; or (2) directly or indirectly controlled by a corporation of which more than 25 percent of the capital stock is owned of record or voted by aliens or their representatives or by a foreign government or representative thereof or by any corporation organized under the laws of a foreign country. These questions are intended to ascertain whether the applicant complies with Sections 310(b)(3) and 310(b)(4) of the Communications Act, which establish limits on foreign ownership of the licensees of broadcast, common carrier, aeronautical *en route*, and aeronautical fixed stations. Sections 310(b)(3) and 310(b)(4) are inapplicable because the application does not concern aeronautical *en route* or aeronautical fixed stations or satellites used to provide broadcast or common carrier service.
