**Re: TMI Communications and Company, L.P.
TerreStar Networks Inc.
Application for Modification of Spectrum Reservation for a 2 GHz
Mobile Satellite Service System
FCC File Nos. SAT-ASG-20021211-00238 and SAT-AMD-20061127-00143
Call Sign: LOI-TMI**

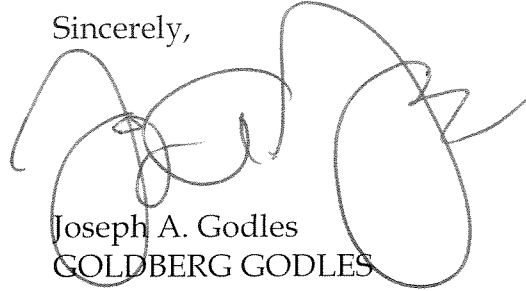

Dear Ms. Dortch:

In an Order released on May 10, 2007 (DA 07-2028) in the above-referenced proceeding, the International Bureau modified a spectrum reservation for a 2 GHz mobile satellite service system (LOI-TMI) to change, at the parties' request, the company name under which the spectrum reservation is listed. Although the parties had stated that the name of the company under which the spectrum reservation as modified should be listed is TerreStar Networks Inc., the Order incorrectly identifies the name of the company as TerreStar Networks, LLC. Please correct the company name in your records.
