Reference: Request for *Pro Forma* Assignment of License for PanAmSat
Corporation (File No. SAT-ASG-20030310-00022)

Dear Mr. Godles:

This is in response to the referenced application filed on behalf of PanAmSat Corporation for consent to the *pro forma* assignment of its Fixed-Satellite Service satellite authorization (Call Sign S2191). PanAmSat seeks authority to assign its authorization from PanAmSat Corporation to Hughes Network Systems, Inc.

Pursuant to Section 0.261 of the Commission's rules on delegations of authority, 47 C.F.R. § 0.261, Application File No. SAT-ASG-20030310-00022 is granted and PanAmSat Corporation is authorized to assign its authorization from PanAmSat to Hughes Network Systems as set out in its application. Enclosed is a *pro forma* assignment grant document (FCC Form 732) for the authorized facilities.

Sincerely,

Jennifer M. Gilsenan

Under the authority of the Communications Act of 1934, as amended, the consent of the Federal Communications Commission is hereby granted to the transaction indicated above. The Commission's consent to the above is based on the representations made by the applicants that the statements contained in, or made in connection with, the application are true and that the undertakings of the parties upon which this transaction is authorized will be carried out in good faith. The actual consummation of voluntary transactions shall be completed within 60 days from the date hereof, and notice in letter form thereof shall promptly be furnished the Commission by the buyer showing the date the acts necessary to effect the transaction were completed. Upon furnishing the Commission with such written notice, this transaction will be considered completed for all purposes related to the above described station(s).

ADDITIONAL REQUIREMENTS

Upon consummation the assignor must deliver the permit/license, including any modifications thereof to the assignee. It is hereby directed that, upon consummation, a copy of this consent be posted with the station authorization(s) as required by the Commission's Rules and Regulations. The assignee is not authorized to construct nor operate said station(s) unless and until notification of consummation in letter form has been forwarded to the Commission.
