Re: Notice of Ex Parte Presentation  
File Nos. SAT-ASG-20030728-00138, SAT-ASG-20030728-00139

Dear Ms. Dortch:

On May 12, 2004, John Sponyoe, Intelsat Ltd. ("Intelsat") Chairman of the Board, Conny Kullman, Intelsat CEO, Tony Trujillo, Intelsat Sr. Vice President, Brian Dailey, Intelsat Board Member and Lockheed Martin Corporation Sr. Vice President, Ralph Everett, Counsel to Intelsat, Gerald Musarra, Lockheed Martin Corporation Vice President, and Jennifer Warren, Lockheed Martin Corporation Sr. Director, ("participants") met with Chairman Michael Powell, his Legal Advisor, Sheryl Wilkerson, and International Bureau Chief Don Abelson. During the meeting, the participants discussed the International Bureau's decision in the Intelsat/Loral Order granting Intelsat special temporary authority ("STA") to continue providing capacity to former customers of Loral that provide direct-to-home ("DTH") service.<sup>1</sup> In particular, the participants noted the importance of the STA in averting the disruption and/or discontinuance of service to existing customers, and they urged the Commission to act expeditiously to remove the uncertainties created by the Application for Review pending in this proceeding.<sup>2</sup>

Please contact the undersigned with any questions.

Sincerely,

Jennifer D. Hindin  
Counsel to Intelsat
