

Exhibit E

The instant application is filed in connection with pending satellite application SAT-T/C-20210423-00056 seeking the post-consummation consent of the Federal Communications Commission (“Commission”) to transfer control of R2 Space, Inc., licensee of satellite space station S3067 to Meta Aerospace, LLC (“Meta”). The instant application seek Commission approval of the *pro forma* assignment of satellite space station license S3067 from licensee R2 Space, Inc. to R2 Space, LLC. As part of the March 2021 transaction more fully described in SAT-T/C-20210423-00056, in which Meta acquired a 61.75% interest in R2 Space, R2 Space, Inc. was converted from an S-Corporation to an LLC. Consistent with Commission rules, a statement describing the nature and extent of control over R2 Space and corresponding organizational chart was provided the Commission.¹
