

Description of Transaction and Public Interest Statement

By this application, DISH DBS Corporation (“DISH DBS”) and its indirect subsidiaries DISH Wireless L.L.C., DISH Broadcasting Corporation, and DISH Operating L.L.C. (collectively, “DISH Licensee Subsidiaries,” and together with DISH DBS, the “Licensee Debtors”) request Commission consent to (1) the involuntary *pro forma* transfer of control of the DISH Licensee Subsidiaries from DISH DBS to DISH DBS Corporation, Debtor-in-Possession (“DISH DBS DIP”), and (2) the involuntary *pro forma* assignment of the DISH Licensee Subsidiaries’ licenses from each individual subsidiary to its respective Debtor-in-Possession.¹

On June 30, 2026, the Licensee Debtors, along with certain other affiliates,² filed with the United States Bankruptcy Court, Southern District of Texas, Houston Division (“Bankruptcy Court”) voluntary petitions under chapter 11 of title 11 of the United States Code (the “Bankruptcy Code”) to effectuate a restructuring of the funded debt obligations of and certain claims against the Licensee Debtors under their joint prepackaged chapter 11 plan. The plan is supported by holders of the overwhelming majority of claims against the Licensee Debtors. As a result of the commencement of the Licensee Debtors’ chapter 11 cases, each of the Debtors is now operating as a debtor-in-possession under the Bankruptcy Court’s oversight. During the bankruptcy proceeding, the Debtors intend to operate in the ordinary course without interruption. A copy of the DISH DBS chapter 11 petition is included as Exhibit 1 to this application. Other documents related to the bankruptcy proceeding, including the other Debtors’ petitions, are available at <https://dm.epiq11.com/case/dbs/info>.

Under the Commission’s rules, policies, and precedent, the designation of the DISH Licensee Subsidiaries as debtors-in-possession has resulted in an involuntary *pro forma* assignment of their licenses to the debtor-in-possession for each subsidiary.³ In addition,

¹ All claims that have been or will be asserted against the Debtors (as defined below) remain subject to the Debtors’ rights, claims and defenses, which are expressly reserved in all respects. Nothing in this application shall operate or be construed to constitute a waiver by the Debtors of any such rights, claims or defenses.

² In total, eighteen indirect subsidiaries of EchoStar Corporation filed voluntary chapter 11 petitions (collectively, the “Debtors”). For purposes of this public interest statement, the relief requested in this application relates only to the Licensee Debtors holding licenses that are subject of the involuntary *pro forma* transfer of control. For a complete list of Debtors in the chapter 11 cases, please see <https://dm.epiq11.com/case/dbs/info>.

Holding Various Licenses in the Wireless Radio Services, *Order*, 35 FCC Rcd. 6961, 6965 ¶ 4 (2020) (“[A]n involuntary assignment or transfer of wireless licenses [] occurs when a company undergoes reorganization pursuant to a petition for reorganization in bankruptcy[.]”); *id.* ¶ 6 (“[P]ursuant to the [bankruptcy order], the Debtors closed all transactions approved by the court’s order and were converted into debtors-in-possession by operation of law.”); Public Notice, Global Crossing Ltd., GC Acquisition Ltd. because the DISH Licensee Subsidiaries are indirect, wholly-owned subsidiaries of DISH DBS, the designation of DISH DBS as a debtor-in-possession also has resulted in the involuntary *pro forma* transfer of control of the DISH Licensee Subsidiaries from DISH DBS to DISH DBS DIP. In the event of such involuntary *pro forma* transfers of control and assignments, the Licensee Debtors must file applications with the Commission seeking after-the-fact consent within a specified amount of time, which varies by license type.⁴

Such assignment of assets and the transfer of control are involuntary and do not involve a change in the ownership or control of DISH DBS or the DISH Licensee Subsidiaries other than as a result of the designation of each as a debtor-in-possession.⁵ In addition, the ownership structures and officers and directors of DISH DBS and the DISH Licensee Subsidiaries remain unchanged following the filing of the bankruptcy petitions, subject to the jurisdiction and oversight of the Bankruptcy Court.

Swift approval of this application is in the public interest. The Licensee Debtors commenced voluntary chapter 11 proceedings to restructure their debt, strengthen their financial position, and resolve claims against them, and the involuntary *pro forma* transfer of control to DISH DBS DIP merely reflects the change in legal status required under bankruptcy law. The transaction will not result in any change in the ultimate control, ownership, or management of the licensee, and operations will continue uninterrupted. Approval will enable the Licensee Debtors to maintain service to customers, preserve continuity of their offerings, and enhance

filings, the Global Crossing subsidiaries that hold FCC licenses assigned their respective licenses on a pro forma basis to themselves as debtors-in-possession.”).
