To the International Bureau:

MOTION TO ACCEPT OPPOSITION TO PETITION FOR RECONSIDERATION

Motorola Satellite Communications, Inc. ("Motorola"), through its undersigned counsel, hereby respectfully moves for leave to file one day late Motorola's Opposition to Constellation Communication Inc.'s Petition for Reconsideration filed in the above-captioned matter. Through an inadvertent miscalculation of the applicable filing deadline, Motorola's counsel erroneously determined that the proper date for filing oppositions to Constellation's Petition for Reconsideration was today, March 16, 1995. However, upon recalculation of the deadline this morning, it was discovered that the actual filing deadline was yesterday, March 15, 1995.

No prejudice to Constellation Communications Inc. or any other party will result from the one day lateness of this Opposition. Motorola will serve the Petitioner by hand with its Opposition.

Absent grant of this motion and the inclusion of Motorola's Opposition in the above-captioned proceeding, the Bureau would not have the opportunity to adequately consider all of the substantive issues relevant to Constellation Communications Inc.'s Petition for Reconsideration. Accordingly, grant of the instant motion is in the public interest.

Respectfully submitted,
