COMMENTS OF AMERICAN SATELLITE NETWORK

AMERICAN SATELLITE NETWORK is pleased to offer the following comments and recommendation on behalf of NORRIS COMMUNICATIONS, INC.:

COMMENT: AMERICAN SATELLITE NETWORK urges the F.C.C. to expedite and grant the application of NORRIS SATELLITE COMMUNICATIONS on the basis of past experiences. It has been proven that the aforesaid applicant operates their business in a professional and courteous manner, always with the public welfare in mind.

COMMENT: In addition, AMERICAN SATELLITE NETWORK would urge the F.C.C. to grant the applicant a NON-COMMON CARRIER GRANT. It is our professional opinion that the intended goals of applicant and the general public would be best served by such a grant.

COMMENT: Furthermore, AMERICAN SATELLITE NETWORK is of the opinion that the television industry and markets require the additional family-oriented programming, as proposed by applicant.

COMMENT: In consideration of the aforesaid COMMENTS, AMERICAN SATELLITE NETWORK prays the F.C.C. consider and grant NORRIS COMMUNICATIONS, INC. a grant for the intended stipulations as styled in applicants petition.

Respectfully submitted,

Dr. Lee Foster, President
