Re: Cyberstar 3 (Ka-band authorization at 105.5 E.L.)
File. No. SAT-LOA-19950929-00138

Dear Ms. Dortch:

I write to inform you that Loral has determined not to proceed with construction of a satellite for the above captioned Ka-band satellite authorization at 105.5 E.L. Accordingly, Loral requests that the Commission cancel its authorization for that one Ka-band orbital slot.

Sincerely,

John Stern
