Dear Ms. Salas:

Yesterday, an organization of satellite companies known as the "Satellite Coalition" filed a Joint Petition to Defer Processing of the above-referenced application, filed by Motorola Global Communications, Inc., for authority to launch and operate a global network of low earth orbit communications satellites in the Fixed Satellite Service. As counsel for PanAmSat Corporation, one of the coalition members, the undersigned coordinated the filing of the Joint Petition.

I am enclosing a corrected version of page 9 of the Joint Petition. Please substitute the enclosed page for the page 9 that was filed yesterday.

Respectfully submitted,

Joseph A. Godles  
Attorney for  
PanAmSat Corporation
