Notification of Ex Parte Presentation**

Dear Ms. Dortch:

On July 18, 2006, the undersigned and Amy Mehlman, of Mehlman Capitol Strategies, Inc., representing Motient Corporation ("Motient"), and Sasha Field, Vice President for Regulatory Affairs for TerreStar Networks, Inc. ("TerreStar"), met with John Giusti, Gardner Foster, Robert Nelson and Richard Engelman of the International Bureau, to discuss matters related to the above-captioned transfer of control application and recent ex parte filings by Globalstar.

During the course of that discussion, it was noted that recent filings by Highland Capital Management, L.P. ("Highland") with respect to the above-captioned transfer of control application are inaccurate, extraneous and should be dismissed immediately. Additionally, with respect to Globalstar's ex partes, its Petition for Reconsideration regarding its S-band licenses was addressed in terms of the need for the Commission to

dismiss the Petition expeditiously, which position has been expressed by TMI/TerreStar in IB Docket Nos. 02-364, 05-220, and 05-221.

Please direct questions concerning this matter to the undersigned.

Sincerely,
