**Re: Petition for Reconsideration of International Bureau Order DA 09-1850, Call Signs S2346, S2680, S2681, S2682, and S2683**

Dear Ms. Dortch:

On February 3, 2010, representatives of AtContact Communications, LLC (“AtContact”) participated in a telephone call with Christi Shewman, Legal Advisor to Commissioner Baker, regarding AtContact’s pending Petition for Reconsideration of the International Bureau’s decision to nullify AtContact’s satellite license. The purpose of the call was to summarize and the matters and arguments set forth in the February 1, 2010 letter filed by AtContact in this proceeding. In particular, AtContact discussed the potential for a partial reconsideration of the International Bureau’s decision that would allow AtContact to finish constructing a GSO satellite using the NGSO Ka-band spectrum at 121° W.L.

Pursuant to 47 C.F.R. § 1.1206(b), this notice is being filed electronically with a copy emailed to Ms. Shewman.

Respectfully submitted,

/s/
