Dear Ms. Dortch:

This letter is submitted on behalf of SkyTerra Communications, Inc. ("SkyTerra") in connection with SkyTerra's proposed FSS Ka-band satellites – SkyTerra-1 and SkyTerra-2.

SkyTerra is aware that as a result of the actions taken at the 1998 Plenipotentiary Conference, processing fees will now be charged by the International Telecommunication Union ("ITU") for satellite network filings. As a consequence, the Commission applicants are responsible for any and all fees charged by the ITU. SkyTerra hereby states that it is aware of and unconditionally accepts this requirement and its responsibility to pay any ITU cost recovery fees associate with the aforementioned ITU filing at the appropriate time. In addition, all correspondence with SkyTerra regarding ITU cost recovery issues should be directed to the undersigned.

Please feel free to contact me with any questions regarding this submission.

Sincerely,

Robert A. Mazer
