Re: ITU Cost Recovery Fees for DIRECTV KU-79W (Call sign S2861)

Dear Mr. Nelson:

DIRECTV is aware that, as a result of actions taken at the International Telecommunication Union's 1998 Plenipotentiary Conference, and modified by the ITU Council in 2001, 2002 and 2004, processing fees will now be charged by the ITU for satellite network filings. As a consequence, Commission applicants are now responsible for any and all fees charged by the ITU. DIRECTV hereby states that it is aware of this requirement and certifies that it unconditionally accepts responsibility to pay any and all Cost Recovery fees associated with this application. DIRECTV intends to operate DIRECTV KU-79W under the currently notified USASAT-24W and USASAT-35T ITU filings. DIRECTV may also submit new ITU filing(s) for this NETWORK. Invoices for such cost recovery fees associated with any of these ITU filings should be sent to the undersigned.

Sincerely,

/s/
