

NOTIFICATION OF COMMENCEMENT OF SPACE STATION CONSTRUCTION

Astro Digital U.S., Inc. (Astro Digital), pursuant to Section 25.113 of the Commission's rules, 47 C.F.R. § 25.113(f), hereby notifies the Commission that it has commenced construction, at its own risk, of the thirty (30) non-geostationary orbit (NGSO) satellites it proposes to launch and operate in the Application to which this statement is attached. Astro Digital intends to utilize these spacecraft to implement a NGSO Earth Exploration Satellite Service system.
