Re: BlackSky Global LLC,  
FCC File No. SAT-LOA-20180320-00023

Dear Ms. Dortch:

BlackSky Global LLC ("BlackSky") hereby requests the International Bureau change the restricted *ex parte* status of the proceeding referenced above, to "permit-but-disclose" in accordance with the Commission's Rules.<sup>1</sup> Designating the proceeding as permit-but-disclose will serve the public interest by facilitating communications with the Bureau, allowing the Bureau to develop a more complete record, and permitting the Bureau to reach a more informed decision.

Planet Labs Inc. ("Planet"), through its counsel, has authorized BlackSky to state that Planet no objection to the change in *ex parte* status.

Please direct any questions regarding this matter to the undersigned.

Respectfully submitted,

/s/
