**Re: Notice of Ex Parte Communication - IBFS File No. SAT-LOA-20181221-00094;
Call Sign S3041**

Dear Ms. Dortch:

On February 4, 2019, Dr. Sara Spangelo, Chief Executive Officer, and Mr. Kalpak Gude, General Counsel, of Swarm Technologies, Inc. (Swarm), met with Commissioner Michael O’Rielly of the Federal Communications Commission (Commission), as well as Erin McGrath, Legal Advisor to Commissioner O’Rielly. The meeting participants discussed Swarm’s above-referenced satellite system application pending before the Commission. Specifically, the participants discussed the benefits of Swarm’s revolutionary satellite technology, which will facilitate low-cost communications to underserved or unserved areas of the United States.

To the extent you have questions or concerns, please feel free to contact the undersigned.

Very truly yours,

/s/

Timothy Bransford
