Subject: ITU Cost Recovery Fees for the AprizeSat Satellite Network

Dear Ms. Dortch:

SpaceQuest, Ltd. (SpaceQuest[®]), operator of the AprizeSat satellite network, is aware that as a result of actions taken at the International Telecommunication Union's 1998 Plenipotentiary Conference, and modified by the ITU Council in 2001, 2002, and 2004, processing fees will now be charged by the ITU for satellite network filings. As a consequence, Federal Communications Commission satellite applicants are responsible for any and all fees charged by the ITU for associated satellite network filings. SpaceQuest is aware of this requirement and accepts responsibility to pay any ITU fees associated with these filings. Invoices for such fees should be sent to the point of contact specified below:
