Subject: ITU Cost Recovery Fees for Umbra Lab, Inc.

Dear Ms. Dortch,

Umbra Lab, Inc. (“Umbra”) is aware that as a result of actions taken at the International Telecommunication Union’s 1998 Plenipotentiary Conference, and modified subsequently by the ITU Council, processing fees are charged by the ITU for satellite network filings. As a consequence, Federal Communication Commission applicants are responsible for any and all fees charged by the ITU. Umbra hereby states that it is aware of this requirement and unconditionally accepts all cost recovery responsibilities associated with the ITU filings for the Umbra satellite constellation. Please address all correspondence related to the Umbra satellite constellation to the following point of contact.
