Subject: ITU Cost Recovery Fees for Orbital Sidekick Inc.

Dear Ms. Dortch,

Orbital Sidekick Inc. (“OSK”) is aware that as a result of actions taken at the International Telecommunication Union’s (“ITU’s”) 1998 Plenipotentiary Conference, and further modified by the ITU Council in subsequent years, processing fees will now be charged by the ITU for satellite network filings. As a consequence, Federal Communications Commission applicants are responsible for any and all fees charged by the ITU. OSK hereby states that it is aware of this requirement and unconditionally accepts all cost recovery responsibilities associated with the ITU filings for the GHOSat satellite constellation. Please address all correspondence related to the GHOSat satellite constellation to the following point of contact.
