RE: Surrender of Authorization for Turion Space Corp.
Call Sign S3146, File No. SAT-LOA-20220526-00055

Dear Ms. Dortch:

On May 26, 2026, Turion Space Corp. notified the Commission that the DROID.001 spacecraft authorized under the above-referenced authorization completed its mission, was deorbited, and reentered the atmosphere on February 27, 2026, thereby permanently terminating operations.

Because the authorized spacecraft no longer exists and all authorized operations have permanently ceased, Turion Space Corp. hereby voluntarily surrenders the authorization associated with Call Sign S3146 and respectfully requests that the Commission cancel the authorization and update its licensing records to reflect its termination.

Accordingly, Turion respectfully requests that the Commission update its records accordingly and confirm that no further annual reporting obligations apply to this authorization.

Please contact the undersigned with any questions regarding this request.

Respectfully submitted,

/s/ Nathan Johnson
