In the Matter of

**Spectrum Five LLC**

Petition for Declaratory Ruling to Serve the  
U.S. Market Using BSS Spectrum from the  
114.5° W.L. Orbital Location

File Nos. SAT-LOI-20050312-00062  
SAT-LOI-20050312-00063

MAY 26 2005

Policy Branch  
International Bureau

**REQUEST FOR LEAVE TO FILE CONSOLIDATED RESPONSE**

Spectrum Five LLC ("Spectrum Five"), by its attorneys, requests leave to file on Wednesday, June 1, 2005, its consolidated response to pleadings filed with respect to the above-referenced applications.

On May 16, 2005 DIRECTV Enterprises, LLC ("DIRECTV") hand-served the applicant in this proceeding with its pleading and EchoStar Satellite Corporation ("EchoStar") served the applicant with its pleading via e-mail. In addition, SES Americom, Inc. ("SES") and the Gibraltar Regulatory Authority ("GRA") filed comments on May 16, 2005, but served Spectrum Five's counsel by first-class mail.

Pursuant to the Federal Communications Commission's ("Commission's") rules,<sup>1</sup> responses to the DIRECTV and EchoStar pleadings are due on Thursday, May 26, 2005, while the responses to SES and GRA's pleadings, delivered by mail, are due on Wednesday, June 1, 2005. Given the commonality of matters discussed in these pleadings and the limited resources

<sup>1</sup> 47 C.F.R. §§1.4, 1.45(h).

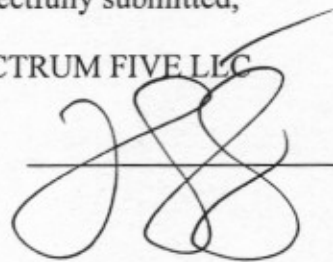

of the Commission, a consolidated response addressing all the pleadings filed would be appropriate and administratively efficient. Therefore, Spectrum Five respectfully requests, to the extent necessary, leave to file a consolidated response to all pleadings filed in this proceeding on Wednesday, June 1, 2005.<sup>2</sup>

Spectrum Five has advised the Commission's staff and affected parties of the immediate request. Counsel for DIRECTV and EchoStar have indicated to counsel for Spectrum Five that they have no objection to the instant request.

Respectfully submitted,

SPECTRUM FIVE LLC

<sup>2</sup> Spectrum Five notes that EchoStar is also due to file responses on June 1, 2005 to the objections submitted against its own application to provide DBS from a short-spaced satellite at 86.5° W.L. See Public Notice, *Policy Branch Information: Satellite Space Station Applications Accepted for Filing*, Report No. SAT-00284 (Apr. 15, 2005).

I, Kimberly Booth, a secretary at the law firm of Wiley Rein & Fielding LLP, hereby certify this 24th day of May 2005, that I caused copies of the foregoing Request for Leave to File Consolidated Response to be mailed via first-class postage prepaid mail to the following:
