Re: **Notice of Ex Parte Presentation in IB Docket No. 16-408; Petition for Declaratory Ruling of WorldVu Satellites Limited, IBFS File No. SAT-LOI-20160428-00041**

Dear Ms. Dortch:

On June 15, 2017, Mariah Shuman, Senior Director of Regulatory Affairs of WorldVu Satellites Limited ("OneWeb"), spoke with Tom Sullivan, Acting Chief of the FCC International Bureau, via telephone regarding two separate and distinct items: (1) the ongoing rulemaking concerning Non-geostationary ("NGSO"), Fixed-Satellite Service ("FSS") Systems, and (2) OneWeb's pending Petition for Declaratory Ruling.

OneWeb expressed its view that the NGSO FSS rulemaking process is the proper forum for resolution of all items related to the ongoing NGSO FSS proceeding. Accordingly, no decisions on such items should be made in advance of the conclusion of such a detailed and thorough rulemaking process and, specifically, no decisions on such items should be made in connection with OneWeb's pending Petition for Declaratory Ruling.

Pursuant to Section 1.1206(b) of the Commission's Rules, 47 C.F.R. § 1.1206(b), this letter is being filed electronically and e-mailed to the meeting participants.

Very truly yours,
